Jane E. Wilson, Principal

PRINCIPAL'S MESSAGE

To the graduates of Higgins Middle School -- I wish to extend my best wishes and congratulations.

The unique experience of attending the largest middle school in Massachusetts has given each of you innovative collaborative skills to take with you through your educational journey. Remember to make room every day for one another's ideas and perspectives and become a good citizen.

Hopefully, through this yearbook you will recall your years at the Higgins. The athletics, the music programs, the after school clubs, the literary magazine and the academic programs that have all attributed to your memories. I am sure that all of these experiences will contribute to your future success.

Sincerely,

A handwritten signature in cursive script that reads "Jane E. Wilson".
